

Kipling Bedside table

KIPLING BEDSIDE TABLE FOR HOTELS

Kipling, who immortalized in his books the empire of Queen Victoria, would have enjoyed the very British refinement of this nightstand, the legs of which are inspired by the architecture of the Taj Mahal. Here, travel goes hand in hand with comfort and easy living...

- Different sizes available
- Solid mahogany with a mahogany patina
- Available in other types of wood and finish
- Designed by Patrick Ribes
- Light fixture: Vdelight

KIPLING hotel in Geneva
