

Auteuil Desk

AUTEUIL DESK FOR HOTEL ROOMS

You will surely be charmed by the gentle harmony of the wood and the material of the chairs. With a great delicacy, the geometric shapes become softer Geometry is softened with great delicacy... Furniture for hotel made of ash wood with a dark finish.

- Can be combined with stained beech wood chairs
- The furniture of this hotel room collection can be crafted from other types of wood and with other finishes, in the size of your choice.

Auteuil hotel in Geneva, designed by Paul Sartres
